

Digital Photography 101

South Georgia College Continuing Education

**Are you interested in photography?
Would you like to know the secret to taking better pictures?**

This course takes the mystery out of the operation and efficient use of camera functions. You will also learn the use of lighting and control. Anyone who doesn't understand photo basics using digital cameras or would like to refresh their skills should take this course! Register now for our fundamentals of digital photography course with local photographers, Miles and Patsy Burkett. You'll be taking great pictures in no time!

**Tuesdays and Thursdays
September 1 - October 9, 2009**
