

*Grow your organization or business
with social media and web design!*

Tweet Me: Social Media Marketing

This will be an exploration of the use of social media to market your business online. You don't have to have a dedicated web site to use this powerful tool! This class will provide a down and dirty explanation of how a business can use the latest social media outlets (like Facebook and Twitter) to promote business and increase revenues. You will get the information you need to understand the system. Online worksheet will be provided prior to class.
