Total Holiday Hours = 96

Total Vacation Hours = 33

The University System of Georgia allows 12 holidays per year that are recognized and taken off with pay. Some holidays are standardized and others are at the discretion of the institution.

In addition, SGC **will be closed** December 26th – 31st. Since these additional days are over and above the 12 paid holidays, staff and administration have the following options:

1. Use vacation time accrued
2. Take the days off without pay
