The University System of Georgia allows 12 holidays per year that are recognized and taken off with pay. Some holidays are standardized and others are at the discretion of the institution.

In addition, SGC **will be closed** December 28th – 31st. Since these additional days are over and above the 12 allotted by the State, staff and administration have the following options:

1. Use vacation leave
2. Take the days off without pay
