OUR MISSION

The mission of the Department of Residence Life is to provide a safe residential environment where academic learning can be supplemented through the implementation of developmental programs, by offering students state-of-the-art facilities, and having a professional staff devoted to exercising best practices. The Residence Life staff augments a student's personal success by creating a community of citizens, having an appreciation of diversity in all students, and promoting civic responsibility.

VISION

To reach a deeper state of self-actualization by developing a student's sense of community, acceptance of social responsibility, exploring leadership capabilities, and the realization of worldly potential.

DEPARTMENTAL STAFF

The Residence Life Staff is responsible for residence hall matters, including student welfare, staffing, programming, suite/room assignments, and policy information. The Residence Life Staff includes Desk Assistants (DA), Resident Assistants (RA), Residence Life Coordinators (RLC), the Housing Enrollment and Retention Coordinator, and the Director of Residence Life. The Physical Plant staff members maintain the facility, the Public Safety Officers maintain security, and the Business Office handles financial matters and related services.

Director of Residence Life

The Director of Residence Life is a full-time housing professional who is primarily responsible for the overall operation and supervision of the department. The Director is responsible for the safety of the residence halls, budgeting, supervision and training of the residence life staff, policy enforcement, departmental marketing, reviewing off-campus residency requests, and conference & events services. In an effort to be accessible during critical times, the Director is a part of the administrative on-call duty schedule. The Director reports to the Vice President of Student Success.

Residence Life Coordinator (RLC)

Residence Life Coordinators are responsible for the daily operation of an assigned residence hall. The Residence Life Coordinators are responsible for ensuring residence hall conditions that promote healthy living and scholastic growth. The RLC will enforce campus regulations and as needed report violations; supervise part-time staff members, Resident Assistants and other student workers; and supervise and promote various social, recreational and educational programs which take place in the residence hall. The RLCs are a part of the rotating on-call duty schedule. The RLC reports to the Director of Residence Life.

Housing Enrollment & Retention Coordinator (HERC)

The Housing Enrollment and Retention Coordinator (HERC) is a full time position that involves working with students, potential students, families and the general public in the implementation of South Georgia College and Board of Regents residential housing policies. The HERC deals directly with students, potential students and their families in the areas of recruitment, enrollment, and retention. The Housing Enrollment and Retention Coordinator reports to the Director of Residence Life.

Resident Assistants (RA)

On each floor of the residence halls, there is a Resident Assistant (RA) whose primary function is to assist his/her group of residents with community development. RA's are student staff members who have been carefully selected and rigorously trained to serve in a variety of capacities for each building. The RA sponsors activities and programs that meet the needs of his/her residents. They are also responsible for initially handling students who choose to violate the College policies. There are 2 RA's on call during the evening hours to ensure the safety and security of the campus and student body. The Resident Assistants report to the Residence Life Coordinator.

Desk Assistants (DA)

Desk Assistants are SGC students hired under the Federal Work Study Program each semester to assist in the daily front desk operations of the residence halls and they report directly to the Residence Life Coordinator of the building to which they are assigned. Desk Assistants staff the desks when Resident Assistants and/or Security Officers are off-duty. Job responsibilities include but are not limited to signing guests in and out, assisting with lock-outs, reporting maintenance and housekeeping issues, enforcing policies and modeling expected behavior.

ASSIGNMENT POLICIES AND REGULATIONS

Residence Hall Application and Contract: The Residence Hall Application and Contract cover one academic year, consisting of fall and spring semesters. Renewal Forms are required for summer semester. A new Residence Hall Application (with fee) and Contract are required each new school year, beginning in the fall. The contract defines the terms and conditions of occupancy and the procedures for termination. As a matter of contract, South Georgia College has the authority to deny campus housing to individuals who have been convicted of crimes or have shown patterns of behavior that, in the judgment of the Director of Residence Life, suggests that they could have an adverse impact on the educational environment and the health and safety of others.

Application Fee: Each applicant is required to submit a non-refundable \$30.00 fee annually with the Residence Hall Application. This fee cannot be applied toward other fees.

Deposit: Each applicant is required to submit a non-refundable \$200 room reservation fee. Note: Applications for campus housing are processed in the order that reservation fees are paid. The \$200 non-refundable room reservation fee maybe paid via cash, check, TouchNet or the student may chose to have their financial aid pay for it. Please note on your application how you intend to pay it.

Housing Assignment: Housing assignments are made on the basis of (1) date of contract with deposit, (2) date of receipt of the application with fee, and (3) specific request of the applicant.

Please note that an assignment cannot be made until all of the required financial aid documentation has been submitted and the Financial Aid office has approved. If you have any questions about the required documentation or your financial aid status, please login to your Self-Service Banner before calling the Financial Aid office.

Residence Hall Suite/Room: Each resident is furnished with a bed, mattress, desk, desk chair and dresser. Each room has closet space, window blinds, and a ceiling fan with lamp. Each suite has a telephone jack and cable TV connection. Suite/room size and window dimensions vary from room to room. It is recommended that you wait until you arrive on campus before buying curtains or carpeting, or requesting telephone service.

Schedule: Your SGC residence hall will open as announced prior to the beginning of each semester. Residents may remain in the halls at the end of the semester for twelve hours after their last scheduled examination or until noon the day after the last officially scheduled examinations as stated on the official College calendar. Housing will be provided for graduating residents until immediately following graduation exercises. The regular suite/room rate does not include housing between semester breaks. The Residence Life Coordinator determines availability of space between terms.

Holiday/Semester Breaks 2010 -2011

The residence halls will close for Thanksgiving, Christmas, & Spring breaks. Arrangements can be made in advance for residents who need to stay during the break for an additional charge. Moving to a different hall may be required.

Suite/roommate Assignment: Efforts are made to honor suite/roommate preferences, particularly when both applicants request each other. Suite/roommates are assigned to residents not stating a preference.

Eligibility: To be eligible to continue living on campus, residents are required to enroll for a minimum of 12 hours each fall and spring semester, and 6 hours for the summer term. Residents enrolled for less than the minimum number of hours must request in writing and receive approval from the Director of Residence Life. Failure to attend classes regularly is grounds for removal from the residence hall. Residents must pass or receive an IP grade in 6 or more semester hours to be eligible to reside on campus during their next term of enrollment at SGC. Exceptions may be given by consideration of the Housing Committee.

Assignment of Space: The Department of Residence Life reserves the right to reassign residents to other suite/rooms or residence halls when it is in the best interest of individuals, groups of residents, or the College.

Suite/room Changes: Suite/room changes may be made only after receiving approval for the change from the Residence Life Coordinator.

Key/Key Card Policy: A resident will be issued one or more keys and an ID card for the assigned residence hall suite/room and for access to the residence hall and the wing. In the event that the keys or key card are misplaced, stolen, or lost the resident will bear the financial responsibility for the keys, key card, and lock replacement, even though the lost keys may later be found. The key replacement is \$100.00 for a physical (BEST) key. Identification/Key Cards can be re-issued for a \$10 charge for the 1st lost card. Higher fees may be assessed for subsequent losses. The ID/Key Card is classified as a “financial transaction card” and is governed by Georgia law (see the *SGC Public Safety Information booklet* and the SGC Code of Conduct in the *Student Handbook* for additional information). You are to report missing keys and key cards immediately. It is a violation of residence hall rules to loan your key or ID card to others or to use keys or ID cards that have been issued to others. Excessive lock-outs (residents forget key/key card and have to be let in) may result in an incremental fine of \$5.00 per incident at the discretion of the Residence Life Coordinator.

STUDENTS’ RIGHTS AND RESPONSIBILITIES

Students at South Georgia College are assured the rights, privileges and freedoms granted to other United States citizens. These rights come with responsibilities. Please note the statement of Students' Rights and Responsibilities and the Code of Conduct in the *SGC Student Handbook*. The requirements outlined for students in the *SGC Catalog* must be followed for students to reside in a residence hall.

Residents are responsible for adhering to the provisions of the visitation options. Residents share accountability for their guests. Each resident may have a maximum of 2 guests in his/her room at any given time. Please see the overnight guest policy below about the number of guests permitted at a time. - Visitation hours are posted by the Residence Life Coordinator and are subject to change.

- Minors are permitted in the building as guests only by prior approval of the Residence Life Coordinator. The minor must be accompanied by an adult who is a parent or adult guardian. - Quiet hours will be observed from 10 p.m. to 8 a.m. each night, and 24 hours per day during midterms and finals. Courtesy hours should be maintained 24/7.

Closing Hours:

- Designated doors to the residence halls will be locked 24 hours a day.
- Guests may enter only through the designated front lobby.
- Residence hall and all surrounding areas are "off limits" to non-residents after visitation hours.

Alcohol Policy: Alcoholic beverages are forbidden on the campus regardless of age. Violation of this policy can result in penalties, up to and including suspension and prosecution. Alcohol violations by those who are under 21 years of age may result in parental notification. Alcohol violations in the residence halls require mandatory campus service hours to be completed during the semester in which the violation took place.

1st Offense: \$150.00 fine, 20 hours of service; alcohol awareness training

2nd Offense: \$300.00 fine; 1500 word paper & presentation; alcohol awareness training

3rd Offense: residence hall suspension

A fine of \$10.00 is assessed for each hour of campus or community service assigned. The total fine is reduced by \$10.00 for each hour of service completed by the specified date.

The definition of alcohol possession in Georgia includes those who have consumed alcohol. Those who cause a disturbance and/or are considered to

pose a threat to themselves or others are reported to campus police and other law enforcement agencies that may impose disciplinary actions in addition to those imposed by the college. Minors and any one else found to possess alcohol may be subject to criminal prosecution through the law enforcement system. Consequences for violation of the law include citations, arrest, incarceration, fines, and other penalties. Please see the Student Code of Conduct for further details.

Illegal Drug Policy: Illegal drugs, drug paraphernalia (pipes, hookahs, bong, etc.), non-prescribed prescription medications, and other controlled substances are forbidden on the campus, including the residence halls and the surrounding areas. The consequences for a drug policy violation are expulsion from the residence hall and other penalties, including suspension from college and criminal prosecution. Please see the Student Code of Conduct for further details.

SERVICE AND INFORMATION

Food Service: South Georgia College has an agreement with ABL Food Management to provide food services on the College campus. Outside vendors may not deliver food on campus for resale, or produce food items for sale to residents, faculty, staff, or guests. ABL cooperates with groups desiring food and/or beverages for special events. Commuting students, residential students, and college staff members can pay for food services either with cash or by creating a food services account balance on their SGC ID. The card is classified as a “financial transaction card” and is governed by Georgia law (see South Georgia College Public Safety Information bulletin) and College regulations. Amounts can be added in \$25.00 increments and may be used in the food services areas in Clower Center and the College Union. Food services accounts are issued in conjunction with the college ID which is validated by the Cashier’s Office in the College Union. Students living on campus are required to participate in a meal plan each term. Commuting students and staff members may establish accounts as outlined above. Food service hours are posted in the College Union. For assistance or more information, please contact the Cashier’s Office at 260-4239, the Student Affairs Office at 260-4431, or ABL Food Management at 260-4525.

The College assumes no responsibility for this service other than suite/room placement. Guidelines for activating phone service are listed below:

RESIDENCE HALL RESPONSIBILITY

Storage: Residents who plan to continue living on campus another term can receive permission to leave items in their suite/rooms. Risks are assumed by the resident; the college is not liable for damages or losses. Residents not planning to return the next semester must clean their suite/rooms and return the furnishings to their original locations prior to leaving. Residents are not permitted to store items between spring and fall semesters.

Bicycles: Non-motorized bicycles are permitted in resident suite/rooms. Motorcycles and similar vehicles are not permitted in the residence halls.

Bicycles are not to be ridden or stored in hallways, stairwells or any other areas in the residence hall. Bicycles left unattended anywhere in the residence hall other than resident suite/rooms should be turned into the Residence Life Coordinator's office.

Cooking: Cooking appliances in residence hall suite/rooms are limited to the following appliances which may be used for their intended purposes: sealed-unit coffee makers, sealed-unit popcorn poppers, and small microwaves. Hot plates, electric grills and similar items are not allowed in the residence hall suite/rooms. Microwaves are also provided in the snack areas. It is expected that residents clean up thoroughly after preparing food.

Damages: Residents are responsible for the condition of their suite/rooms and all the furnishings which are assigned to that suite/room. Residents are financially responsible for these accommodations and furnishings, and shall reimburse the College for any damages or loss of these items. Residents may also be required to share the expense of repairing or replacing any property in common areas (such as hallways, study areas or lobbies) when such repairs are determined to be above and beyond normal wear and tear. Charges for damages and cleaning will be determined by the College at its sole discretion. With the Residence Life Coordinator's approval, residents may repair or replace damaged items. Failure to pay damage charges will result in a resident's records being placed on hold, which prevents him/her from registering, obtaining transcripts or receiving grades.

Fire Code Compliance Issues:

- No toaster type heaters (glowing red coil).
- Refrigerators and microwaves are to be plugged directly into the wall.
- Extension cords are to be used for temporary applications only. When not in use, extension cords must be unplugged from machine/appliance AND the wall socket, rolled up and placed near the equipment or in a drawer.
- Candles and incense are not permitted in the residence hall.
- Do not cover, remove or tamper with fire detection devices. Missing or bad batteries should be immediately reported to the Residence Life Coordinator.
- Do not cover or tamper with ventilation units. Fines are assessed for violations.

Fire Drills: In accordance with SGC regulations, a fire drill shall be conducted at least once each semester. Failure to evacuate the residence hall will result in disciplinary action by the Office of Student Conduct. Residents

and guests should immediately evacuate through the nearest exit and meet in a designated location. No one should reenter the building until told to do so by a college official.

Evacuation Sites

Tiger Village I – Red Barn

Tiger Village II – Baseball Field

Smoking: Smoking is not allowed in the residence halls, within 25 feet of any entrance or in any stairwells. Violating this policy may result in disciplinary action from the Office of Student Conduct.

Decorations: The decoration of residence halls and individual suite/rooms is encouraged. In the interest of safety for all residents and to protect residence halls, the following guidelines and restrictions on decorations shall be adhered to:

- a. In order to prevent damage to resident suite/rooms, limitations must be placed on the types of adhesives and hangers that may be used. No nail/screw holes should be made in the walls. Bulletin boards or tack strips should be used whenever possible. If it is necessary to place something on a painted surface, a good grade of masking tape will normally not result in damage to a painted surface as long as the masking tape is carefully removed. No stickers other than the College inventory number are to be placed on suite/room doors, furniture or glass surfaces. Residents are responsible for all damages to a suite/room beyond normal wear and tear.
- b. When residents move out, suite/rooms must be left in the same condition as prior to moving in.
- c. Nothing is to be placed over vent areas or sprinkler heads.
- d. Candles and incense are not permitted.

Laundry Room: Washing machines and dryers are available in each residence hall. Machines in residence halls are coin-operated. The machines can also use flex money placed on residents' ID cards.

Misplaced Property: Each residence hall suite/room is provided with certain items of furniture. Residents may not move additional items into their suite/rooms from public areas of the halls or other residence hall suite/rooms. Residents may not remove items that are furnished by the College without prior approval of the Residence Life Coordinator.

Pets: No animals, with the exception of fish in properly maintained aquariums of 20 gallons or less, will be allowed inside the residence hall.

Recycling: Recycling receptacles are available in each residence hall for plastic, aluminum, aerosol cans and paper. Thank you for helping us keep our campus as safe and green as possible. Sustainability is one of our goals.

RESPONSIBILITY FOR STUDENT PROPERTY

Precaution is taken to maintain adequate security, but the College cannot assume the responsibility for the loss of or damage to resident possessions. Residents or their parents are encouraged to carry appropriate insurance to cover such losses. Residents are also cautioned to keep their suite/room doors closed and locked at all times.

Suite/Room Entry: The College reserves the right to enter resident suites/rooms for purposes of safety, rules enforcement, improvements, routine maintenance inspections, equipment management, or in response to public health concerns or emergencies which may jeopardizes the well-being of the residents.

Resident suites/rooms may be searched for cause by the Residence Life Coordinator or Director of Residence Life without obtaining a warrant. In the case of suspected criminal violations, a police officer will obtain a search warrant issued by the magistrate or appropriate authority to search a room if permission is not given by the resident.

Residents must remove personal property when moving out of the facility: South Georgia College assumes no responsibility for personal property left by residents upon withdrawal from residence hall or at the end of a term. In the absence of prior arrangements with the RLC, any personal property left in the residence hall is considered disposed property.
